a key to the mysteries no other book in history has done more to clarify the esoteric mystical
and occult traditions of the world than manly p hall s the secret teachings of all ages now
historian mitch horowitz provides the first companion work to hall s opus the secret teachings
of all ages helps twenty first century readers enter and experience or re experience hall s
hallowed pages and also clarifies and expands on some of the book s key themes and topics
mitch explores developments and historical discoveries since hall published his great book
nearly a century ago and adds fresh dimensions to subjects including the antiquity and legacy
of ancient egypt the mystical origins of the world s major faiths strange beasts and anomalies
in history and today the origins and esotericism of tarot secret societies in myth and fact the
enduring relevance of astrology authorized by manly p hall s philosophical research society
the secret teachings of all ages is a feast of esoteric exploration on its own and a worthy
companion to history s unparalleled encyclopedia arcana mitch is a fantastic tour guide to the
fringes of reason high weirdness deep esoterica secret societies and mystery religions
beingbeing has the rare gift of making the esoteric accessible to discerning masses huffpost

witchcraft occultism paranormal science and mysticism are growing like plagues in the
western world these phenomena have baffled modern educators and conventional rationalists
since such activities seem to be completely opposed to everything that the public schools
have taught for over a hundred years worst of all in the minds of conventional secularists all

this discussion of demonic forces may lead to an even more appalling conclusion the idea that god also a supernatural force may reappear in the modern post christian world at all costs a god who can make himself felt in time and on earth must be avoided mysticism is one thing totally internalized but supernatural forces are not supposed to have any impact on external so called phenomenal affairs occultism is another form of humanism it is the product of the quest for power apart from god and his law order it was not a major force in the so called dark ages not until the fifteenth century did witchcraft become a serious problem in europe and it was the renaissance not medievalism which sparked the great explosion of demonism and magic in the sixteenth century during the period of the early middle ages a d 500 1000 there were practically no signs of witchcraft in europe only with the revival of ancient gnosticism and the invasion of middle eastern dualism did signs of widespread witchcraft reappear occultism and humanism are not sworn enemies they are first cousins it was only the influence of christian principles which laid such stress on the orderliness of god s universe that made possible the confidence of modern rationalists in denying the influence of supernatural forces as the confidence in creation law has waned in this century rational humanism has become increasingly unsuccessful in retarding the expansion of occult humanism this journal of christian reconstruction offers readers the necessary evidence for a refutation of the familiar charge that occultism and religion necessarily go together and that only a hard headed rationalism can restrain the forces of spiritual anarchy far from retarding occultism modern rationalism s blindness to the reality of occult forces is now creating a perverse inquisitiveness on the part of modernism s children who have learned to be critical of everything including old fashioned rationalism the philosophy of the open universe closed to god has produced the new occult experimentalism if anything except christian orthodoxy might be true why not find out through personal observation and experiment since 1965 the western

world has faced the greatest explosion of occultism that it has seen in three hundred years this time no one can blame orthodox christianity it has been the secularists who have wielded the power

darlison elucidates the zodiac's significant place in the gospels most specifically in the book of mark an intriguing leap into faith kirkus reviews for millennia the world has been driven by the differences between the great patriarchal religions western civilization or christendom as it was once called received its values and its confidence from a belief in god the father and jesus his only son but what if this conviction were founded on an error who is the man in the factually inconsistent gospel stories and who is the man who makes a brief appearance carrying a jar of water this extraordinary study by a unitarian minister suggests that jesus never existed historically he was simply a representation of an astrological theology a representation simply put of the zodiac sign of aquarius in the gospel the zodiac rev bill darlison demonstrates that all the other signs are present too in perfect zodiacal order the gospel story is not the product of historians or eyewitnesses but an older mystical text produced by an ancient esoteric school as a guide to the age of pisces every bit as revelatory and controversial as it sounds the gospel the zodiac will shake up the religious status quo and in doing so provide both a new look at a religious icon and a deeper understanding of the faith that binds millions together darlison begins by looking at different scholarly approaches to the gospels then outlines his astrological interpretation logically and lucidly matching the zodiacal signs to the narrative of mark forteen times

the book contains new information on sun signs moon signs ascending signs placement of planets in your houses latest astronomical discoveries and much more back cover
